PLEASE NOTE: At regional tournaments we allow females to be placed in draws with males if requested and as well if there are not enough female participants to make a female only draw. If a particular age category does not have enough players then they will be merged with the age category above them. Our focus is game experience and fun rather than separating genders and ages that do not have enough players to make at least a round robin draw of four.

FORMAT: A, B, C, D draws. If not enough for this type of draw, then round robin will be played. We will do our best to guarantee three matches in each event. Depending on number of participants, games for juniors may be modified to 15 points in a best of 3-game match.

SHUTTLES: **Junior Categories:** Yonex Mavis 300 plastic shuttles provided. Feather shuttles can be used if supplied by player or player's club. If both players cannot agree on which shuttle to use, then a plastic shuttle will be used.
