- VENUE:** Kennebecasis Valley High School, 398 Hampton Road, Quispamsis, NB, E2E 4V5, use gym entrance located at back of building by storage sheds

PLEASE NOTE:

At regional tournaments we allow females to be placed in draws with males if requested and as well if there are not enough female participants to make a female only draw. If a particular age category does not have enough players then they will be merged with the age category above them. Our focus is game experience and fun rather than separating genders and ages that do not have enough players to make at least a round robin draw of four.

FORMAT:

A, B, C, D draws. If not enough for this type of draw, then round robin will be played. We will do our best to guarantee three matches in each event. Depending on number of participants, games may be modified to 15 points in a best of 3-game match.

SHUTTLES:

U19 and U17: Feather shuttles must be used.

U15 and U13: Yonex Mavis 300 plastic shuttles provided.

Feather shuttles will be available for sale from the draw desk for a cost of \$30 per tube (Li Ning G600).

SJBC and KVBC will supply feather shuttles to their club members at no cost.

EYEWEAR:

The use of safety eyewear is recommended.

SCHEDULE:

U15, U13: Doors open at 800 am, singles match start at 830 am followed by doubles (at approximately 1100 am)

U19, U17: Singles match start at 1 pm followed by doubles (at approximately 400 pm).

Depending on number of registrations in each category, schedule could be modified. If this happens, an email will go out to all participants after registration closes (April 27th at 9 pm) informing them of the schedule changes.

NEW THIS SEASON

After each category is completed, "Most Valuable Player" trophies will be presented for each junior category (U19 male and female, U17 male and female, U15 male and female, U13 male and female). The trophies will be presented to a male and female participant in each category who accumulates the most points during the year. Points are added up from all 5 series tournaments.
