**VENUE:** Millidgeville North School, 500 Woodward Avenue, Saint John, E2K 4G7, use gym entrance marked by the sign “Anglophone South School District.”

**PLEASE NOTE:** At regional tournaments we allow females to be placed in draws with males if requested and as well if there are not enough female participants to make a female only draw. If a particular age category does not have enough players then they will be merged with the age category above them. Our focus is game experience and fun rather than separating genders and ages that do not have enough players to make at least a round robin draw of four.

**FORMAT:** A, B, C, D draws. If not enough for this type of draw, then round robin will be played. We will do our best to guarantee three matches in each event. Depending on number of participants in U15, U17 and U19 only (not Open), games may be modified to 15 points in a best of 3-game match for singles only (not doubles).

**SHUTTLES:** **Open:** Feather shuttles must be used  
**U19 and U17:** Yonex Mavis 300 plastic shuttles (provided) will be used due to upcoming high school tournaments being played with plastic. Feather shuttles can be used if agreed to by both players.  
**U15 and U13:** Yonex Mavis 300 plastic shuttles provided.

Feather shuttles will be available for sale from the draw desk for a cost of \$30 per tube (Li Ning G600).  
SJJBC and KVBC will supply feather shuttles to their club members at no cost.
