1. Full name
 2. Birth year
 3. Gender, male or female
 4. Events being played – singles, doubles, or both
 5. If playing doubles, indicate partner's name or requesting a partner
 6. Age category for singles and doubles
- REGISTRATION** One day tournament, limited to 75 players' total. Acceptance is on a first registered basis. Players may only sign up for one single and/or one double category.
- ORGANIZERS:** Saint John Junior Badminton Club (SJJBC) and Kennebecasis Valley Badminton Club (KVBC)
- VENUE:** Millidgeville North School, 500 Woodward Avenue, Saint John, NB, E2K 4G7

PLEASE NOTE:

At regional tournaments we allow females to be placed in draws with males if requested and as well if there are not enough female participants to make a female only draw. If a particular age category does not have enough players then they will be merged with the age category above them. Our focus is game experience and fun rather than separating genders and ages that do not have enough players to make at least a round robin draw of four.

FORMAT:

A, B, C, D draws. If not enough for this type of draw, then round robin will be played. We will do our best to guarantee three matches in each event. Depending on number of participants, games may be modified to 15 points in a best of 3-game match for singles only (not doubles).

SHUTTLES:

U19, U17: Feather shuttles must be used
U15 and U13: Yonex Mavis 300 plastic shuttles provided.

Feather shuttles will be available for sale from the draw desk for a cost of \$40 per tube (RSL Classic).

SJBC and KVBC will supply feather shuttles to their club members at no cost.

EYEWEAR:

The use of safety eyewear is recommended.

SCHEDULE:

U15, U13: Doors open at 830 am, singles match starts at 9 am followed by doubles (at approximately 1130 am)

U19, U17: Singles match start at 12 pm followed by doubles (at approximately 3 pm)

Depending on number of registrations in each category, the times may be modified. If this happens, an email will go out to all participants on Feb 21, 2025, informing them of the time changes.
